Rapid River
Jack Pine & small Poplar
SYLVESTERS LANDING
MacDames Creek
DEADWOOD LAKE
Turnagain River
fordable at present about 130 yds 4 ft deep
Good camp beside this lake
Poplar, Pine & Jack-Pine
Country here very undulating
Burnt & fallen timber
Kachika River
These creeks are all fordable
Summer grazing open flat
Jack Pine & Poplar
Small Jack Pine & Poplar
Thick Willow & heavy bush
Water from slough
Country-undulating & fairly open with plenty of feed & mostly Jack Pine
Fallen Timber
Country here burning and likely will be all burnt before fires go out
fordable unless in flood (about 60 yds 3½ deep current 4M) suitable place for ferry some distance up stream
feed
Pine Spruce & Poplar
All fordable
SIFTON PASS
Good camp for resting stock, good feed, water, & stock easily found.
Wooded
Pine, Spruce & Poplar
Small Hog back between these lakes over which trail goes
Ususually plenty of feed from Camp 45 - to Camp 51
Pine & Spruce
feed
fallen timber
feed
Jack Pine
feed
Fox River
Creek bottom all marshy and covered with long marsh grass
Slopes on both sides wooded with Spruce and Pine
fordable (about 30 yds.)
excellent feed and good travelling
heavy timber along river
Finlay River
Heavy Timber Jack Pine & Poplar
Fallen Timber
feed
Burnt Timber
LAKE
Jack pine
muskeg
Small Pine & Poplar
bad mud holes
No rafting timber on south bank some on north bank opposite crossing
not fordable (about 200 yds) current about 3½ miles per hour.
Country slowly rising & undulating
Good rafting timber ½ mile below crossing
not fordable (about 275 yds) current about 4 miles
Finlay River
Deserters Canyon
Ackieka River fordable unless in flood channels about 50 yds each
Possaka River fordable (about 60 yds)
along this bench
Small Jack Pine & Poplar
Thick Wood
fordable
Ingenika River
